**NOTICE OF DRAINAGE PROJECT ON
BOWIE MILL ROAD**

Dear Resident:

This letter is to inform you of the upcoming drainage improvement project in your neighborhood. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of replacing the drainage pipe in the county right-of-way located on Bowie Mill Road, between Muncaster Mill Road and Willow Hill Lane.

The work will be performed under contract by D & F Construction Co., Inc. and will include: Removing the existing aged CMP (corrugated metal) pipe, replacing with a new RCP (reinforced concrete) pipe, and reconstructing the existing inlet structure. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the storm drain repairs and during construction activities.

This project is scheduled to start on or about February 29, 2012, and will take approximately two to three weeks to complete, weather permitting. Work hours are from 8:30 a.m. to 3:30 p.m. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

Project Contractor:	D & F Construction Co., Inc.	301-990-0008
DOT Project Manager:	Mr. Yisa Adegun, Hwy. Insp. II	240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
